

WELCOME TO PRIDEAUX HOUSE

Our aim is to create and maintain a secure, relaxed, happy and homely environment. Our extensive team of caring staff support physical, emotional and social needs.

Companionship, independence, privacy and dignity are always our top priorities. We have suitably trained and qualified staff on duty 24 hours a day including waking night staff.

A wonderful caring home, excellent food and great activities. Mum is very happy here, as is the family. We can relax in the knowledge that she is being looked after with five star care

ACCOMMODATION

Accommodation at Prideaux House consists of 16 single rooms and 2 double/twin rooms with each floor having a wet room/assisted bathroom. All rooms are equipped with at least a wash basin and toileting facility and some are en-suite. Each room is decorated and furnished to a high standard including a wardrobe, chest of drawers, bedside table and armchair. We like to encourage you to bring in small items of furniture, ornaments and pictures to add a personal touch and make your room feel your own.

We have a spacious, bright lounge which provides a pleasant area to accommodate our recreational activities, or for you to spend time watching television, listening to music, or to relax under our mood lighting.

An Emergency Nurse Call System is installed in each room and there is also call points strategically placed around the home to enable you to call for assistance when required. All linen is provided and laundered by the home. Personal clothing is also washed by the in house laundry service although items of clothing which require dry cleaning are charged separately by a local dry cleaning company.

GARDENS

Our large, secluded and secure rear garden gives great pleasure to our residents and visitors alike. In addition to the landscaped garden, there is a large decked area with seating along with a raised flower bed for our residents with green fingers to grow flowers, fruit and vegetables. There is also a courtyard which is available for residents to entertain their visitors.

DINING

The home cooked menu is varied and nutritious. We cater for all types of dietary requirements and our in-house catering staff are available to discuss special diets at any time. All meals are served in the dining room or can be served in your own bedroom or the lounge area. Relatives and friends are welcome to enjoy meals with us, we just ask for a little notice.

ACTIVITIES

At Prideaux House we actively encourage our residents to participate in social activities. Our in-house Activities Co-ordinator and Assistants develop and facilitate an extensive programme of activities which takes into account individual social needs and preferences.

We also use external motivational therapists, musicians and entertainers to provide a range of activities to help motivate, stimulate and encourage physical, mental and social interaction.

We maintain links with the community and access to services, including regular visits from a Hairdresser, Chiropodist, Optician and Dentist.
